

Dear Darren, As you are aware, my family's business is about to close its doors in the month of August. This has been weighing heavily on my mind for some time and since it affects supporting my family, I need to concentrate my energies on finding a new career. As a result, effective immediately, I am tendering my resignation as Director of Media Relations for the Northern Lightning Sprint Association. I have a standard that I have tried to uphold and since I am unable to give you and the NLSA that energy, I serve no purpose to the group. Until such time as I settle into this new chapter of my life, whatever that may be, I think this is the best option for me at this time. Stepping away is not an easy thing to do, but it is the right thing to do. I want to personally thank you for inviting me to be a part of an amazing group of people, many of whom I have befriended since our inaugural season in 2009. We have worked well together and I thank you for the opportunity of not only serving the NLSA but for getting to know you better on a more personal level. I will be around the race track as I am still engaged in my racing reports with 1570 CKMW. Hope to see you soon.  
Regards, Greg Cybulski

On behalf of the Northern Lightning Sprint Association, I would like to thank Greg for all his great contributions to our organization. Should the opportunity present itself, we will welcome Greg back with open arms. I wish Greg all the best in the future.
